Soaring Society of Namibia
P. O. Box 445
Swakopmund

Attn: Heiko Genzmer

Dear Sir/Madam,

RE: GLIDER ACTIVITY FROM 1st NOVEMBER 2019 TO 31st JANUARY 2020

Please make reference to the letter dated 21st October 2019 on the above subject.

The request for Glider Soaring Activity as requested is Authorised in the Botswana FIR, West of the E023 Longitude and South of the S21 Latitude of which a NOTAM will be issued on the mentioned dates.

The Authority has given special dispensation for your Glider sporting/recreational activity up to FL195. According to Botswana CAR's VFR operations are legally not allowed above FL145, this is just for your information.

The team should observe the following requirements:

1. File Flight Plans for all movements into the Gaborone FIR and e-mail them to aikhama@caab.co.bw
2. Maintain a listening watch on the general broadcast frequency 125.5 MHz while operating below FL145 and Gaborone Control on Frequencies 129.0 MHz and 127.1 MHz while operating above FL145.
3. Observe at all times minimum heights while operating over Wildlife and National Parks

It is the responsibility of the applicant to notify the following security organs.

1. Department of Wildlife
2. Botswana Defence Force
3. Botswana Police

Your usual cooperation is highly appreciated and should you have any queries do not hesitate to contact the Authority.

Yours faithfully,

A handwritten signature in cursive script, appearing to read 'Silas Silas', written in black ink.
